ORGANIZATIONAL STRUCTURE: We decided to go for a non-profit corporation status. Pat Connor will see to filing papers. Folks who volunteered to form a bylaws committee to write by laws: Phil, Ann, Lou and Susan. We will ask other sanghas for their by laws as a possible model.

WORKSHOP: We look to bring in a teacher, possibly in September, to lead a Friday night talk and a Saturday workshop. Several people offered to look into possibilities. We realize September may be too short notice, and will start this process to see who might be available.
