

## March 2, 2014 Community Meeting

- Phil reported that two people (Judy and Dawn) have come forth to fill two board vacancies (Hugh and Mar-ta). The board will likely formally add them in the next week or so.
- We discussed the idea of changing the time of the community meeting to after the Sunday sit. After a good discussion we decided it was worth a trial to change the community meeting time, but not until this Fall (Oct/Nov). We agreed that in the Spring/Summer people would likely have other things scheduled after the sit and be less inclined to stay.
- There was a discussion about the basic financial status of IMA2 and the idea of charging for events. Financially we are okay and no one felt we needed to change at this point.
- We discussed what was needed to organize for Chas DiCapua's coming. Several people offered to do the immediate work items. Here's the list we came up with at this point:
  - Fetch Chas from airport (Susan)
  - Housing for Chas (Susan and Lou)
  - Create flyer for distribution (Terry, to be done very soon)
  - Advertise at Interfaith (flyer and other?)
  - Send Email notice to other sanghas (Susan)
  - Crazy Wisdom (Richard), deadlines coming soon in March Put event on calendar, paid Emails by CW, place ad (check cost, suggest size, get words from flyer or elsewhere)
  - Natural Awakenings (Richard) Put event on calendar, place ad (check cost, suggest size, get words from flyer or elsewhere)
  - Mlive.com/AnnArbor.com (Phil) Put event on calendar (free), place ad (free), see if anyone is interested in interviewing Chas.
  - Craigslist.org (Terry) Create event, group, classes (free)
  - Michigan Daily, tmd.pub.umich.edu (Terry) Check about putting event on calendar, placing ad
  - Take Chas back to airport (UNASSIGNED)
- Placing ads needs to be done pretty soon (Crazy Wisdom especially). Terry needs to have the flyer ready soon, so others can crib wording from it.
