

## **Community Meeting June 7, 2015**

### **Board/Treasurer's Report**

- Bank balance is \$9,538.66. Harmony rent is paid through June and rent for summer classes has been paid in advance. Expenses for new site renovation are still pending purchase
- Terry G. is going to submit a budget to Board for materials for ceiling work
- \$100 dana was given to Sister Ma Singasiri. The community authorized reimbursement to Susan who advanced the gift.

### **New Church Site**

- The lease prepared by Pat C. was submitted to the church on about May 27. They have forwarded it to an attorney friend who is reviewing it. Pat will contact them on Monday to try to push it along.
- The room is painted, but Terry is waiting to start work on the ceiling until we have a signed lease. Carpet purchase and installation is also on hold.
- The community authorized purchase of a portable bike rack for the church site (about \$250). Phil K. said he might be able to get his workplace (which is moving) to give us their current rack.
- Pat will include request for permission to place a bike rack when he is discussing lease with the church.

### **Retreats**

- Mary and Terry G. suggested that we might want to think about booking retreats for 2017
- Community agreed that we should make Retreats (scheduling, retreat committee, etc.) a major agenda item for the July community meeting

### **Cushions and Chairs for New Site**

- Community authorized purchase of 20 chairs (at about \$35 each - the same type that were purchased for Harmony Yoga)
- Purchase of cushions were previously authorized
- Both purchases are pending a signed lease
