

Community Meeting September 6, 2015

Board/Treasurer's Report

- Transitions are coming up for 2 board positions
 - Libby R. has volunteered to be considered for one of the positions
- Diane M. has volunteered to facilitate the Community Meetings beginning in October
- Board and Community have been discussing formalizing and tracking procedures for various sangha activities
 - Bryan W. has volunteered to organize on behalf of the Board a compilation of "How To" instructions by talking to teachers and others who have previously or are currently engaged in activities
 - It was agreed that such instructions should be written and kept in a notebook/binder and available for distribution to whomever needs them. Some may also be appropriate for inclusion on the website.
- The cash balance is \$4,896.61
 - All regular expenses have been paid through September and most of the renovation expenses
 - Some renovation expenses are still outstanding including: carpet installation (about \$700); chairs (about \$120); and cushions and other miscellaneous items

Teacher Report

- Teachers will plan classes beginning in January when they meet in September
- Teachers will provide for appropriate documentation for notebook

New Space

- Acoustics not yet tested during Sunday church service
 - Mary G., Bryan W. and Anne B. will sit next Sunday at 10 a.m. in the new space and come directly to Harmony Yoga to report to the Sunday sangha
- The Community consensus was that on the first Sunday in October, the Sunday sitting should be at the new space to be followed by a pot luck and the Community/Annual Meeting (provided the pot luck can be coordinated with the church)
- The Community further decided that Sunday sittings should be held in the new space at 10 a.m. in lieu of Harmony Yoga for the month of October and that a decision can be made after that about further Sunday sittings
- Wish List/Decoration Committee
 - Certain items are still needed such as blanket and small pillows, electric kettle, etc.
 - An email should be sent requesting donations of blankets and pillows
 - We will have a better handle on what is needed when we start using the space and it was decided requests for single items should not be included in the email so that we are not dealing with duplicates. We can mention items as needed at Sunday sittings and classes
