

Insight Meditation Ann Arbor

Community Meeting Agenda

September 11, 2016

Brief Meditation

Call to Order: 11:36 a.m.

Board/Treasurer's Report: New volunteers have stepped forward for the cleaning committee, open Board member positions and the community meeting facilitator. A slate of new Board members for approval will be presented at the Annual meeting on October 2nd.

As of today, the checkbook balance is \$9,104.04.

Teacher Report: The teachers will meet in a few weeks to plan classes for next Spring.

Old Business: We still don't have a signed lease renewal with the church. The church board is due to meet on the 12th and it was suggested that we get an extension on the current lease until such a time as a new lease is agreed upon.

The consensus of the group is that the dehumidifier we've been using has helped with the comfort level of the room and it will be used until the heat is turned on.

New Business: Andrew has volunteered to start a lending library and sought the group's input as to the structure and where books can be stored.

A member asked if people who are not members of IMA2 could utilize the room for a small concert. It was felt that an answer could not be given at this time and that further discussion needs to take place regarding our room use policy. This discussion will be deferred until next month.

Adjournment: 12:45 p.m.

Respectfully submitted,

Diane M.
