

Insight Meditation Ann Arbor

Community Meeting Minutes

July 3, 2016

Brief Meditation

Call to Order: 11:30 a.m.

Board/Treasurer's Report: Current balances are checking account: \$5,378.09; savings account: \$3,511.55. Following last community meeting the savings account was established for the purpose of creating a reserve fund. It was decided that financially it would be more beneficial to move the reserve money back to the checking account and designate it as reserved. Richard K. has ordered a copy of Quick Books and Christine C. has volunteered to set it up.

Teacher Report: The teachers will meet this week to plan classes for the rest of the year.

Space Enhancement Committee: Two fans are now in place in the meditation room. We as a group will need to experiment with the placement of the fans to best meet the needs of sangha attendees.

Those in attendance at the meeting want to acknowledge the members of the Space Enhancement Committee for the wonderful work they've done for the benefit of the sangha.

New Business: The question was raised as to whether community meetings should be held every other month as opposed to monthly with the ultimate goal of getting more sangha members to attend. It was decided that for now community meetings will continue to be held monthly. Copies of the minutes of the community meeting will be made available in the room.

In relation to the need to make members more aware of the community meeting as well as the need to increase awareness of open volunteer opportunities, it was suggested an Announcement Committee should be formed so the responsibility of announcements is not all placed on the teachers.

Adjournment: 12:40 p.m.

Respectfully submitted,

Diane M.
